1973

1923-1973

In the spring of 1923, seventy-eight graduating Seniors stepped out of the doors of Mount Vernon High School—the first to complete a full year in the new building. Fifty golden years have passed and the spirit of MVHS still lives. We file away the many memories, a treasure to keep forever.

Golden days in the sunshine of our happy youth...  
 In our hearts we remember the past  
 and look to the present.  
 Looking back through memory's haze, life has  
 nothing sweeter than its spring.

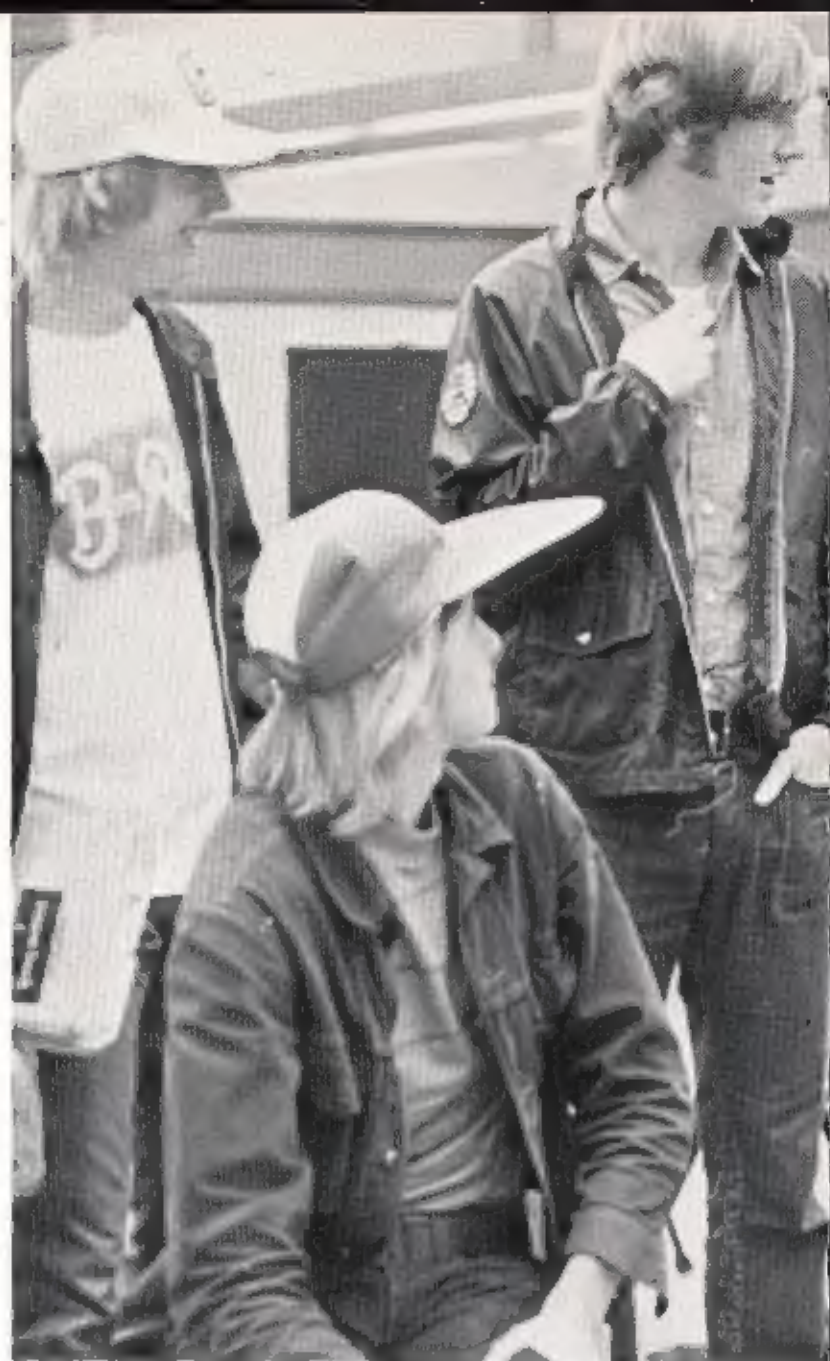

To feel the air vibrant  
with human activity—  
Motion, emotion, commotion—  
People drawn together in one bond.

Long after we have gone, the past leaves its mark.  
One unforgettable moment,  
That joke to be remembered,  
A face to see again and again.

A special purpose, a common goal, a united effort is shadowed with uncertainty and indecision. We are caught up in a fast-moving world of change; we know what we are, but not what we will be. . .

Where are we going?

Nowhere  
Anywhere  
Everywhere

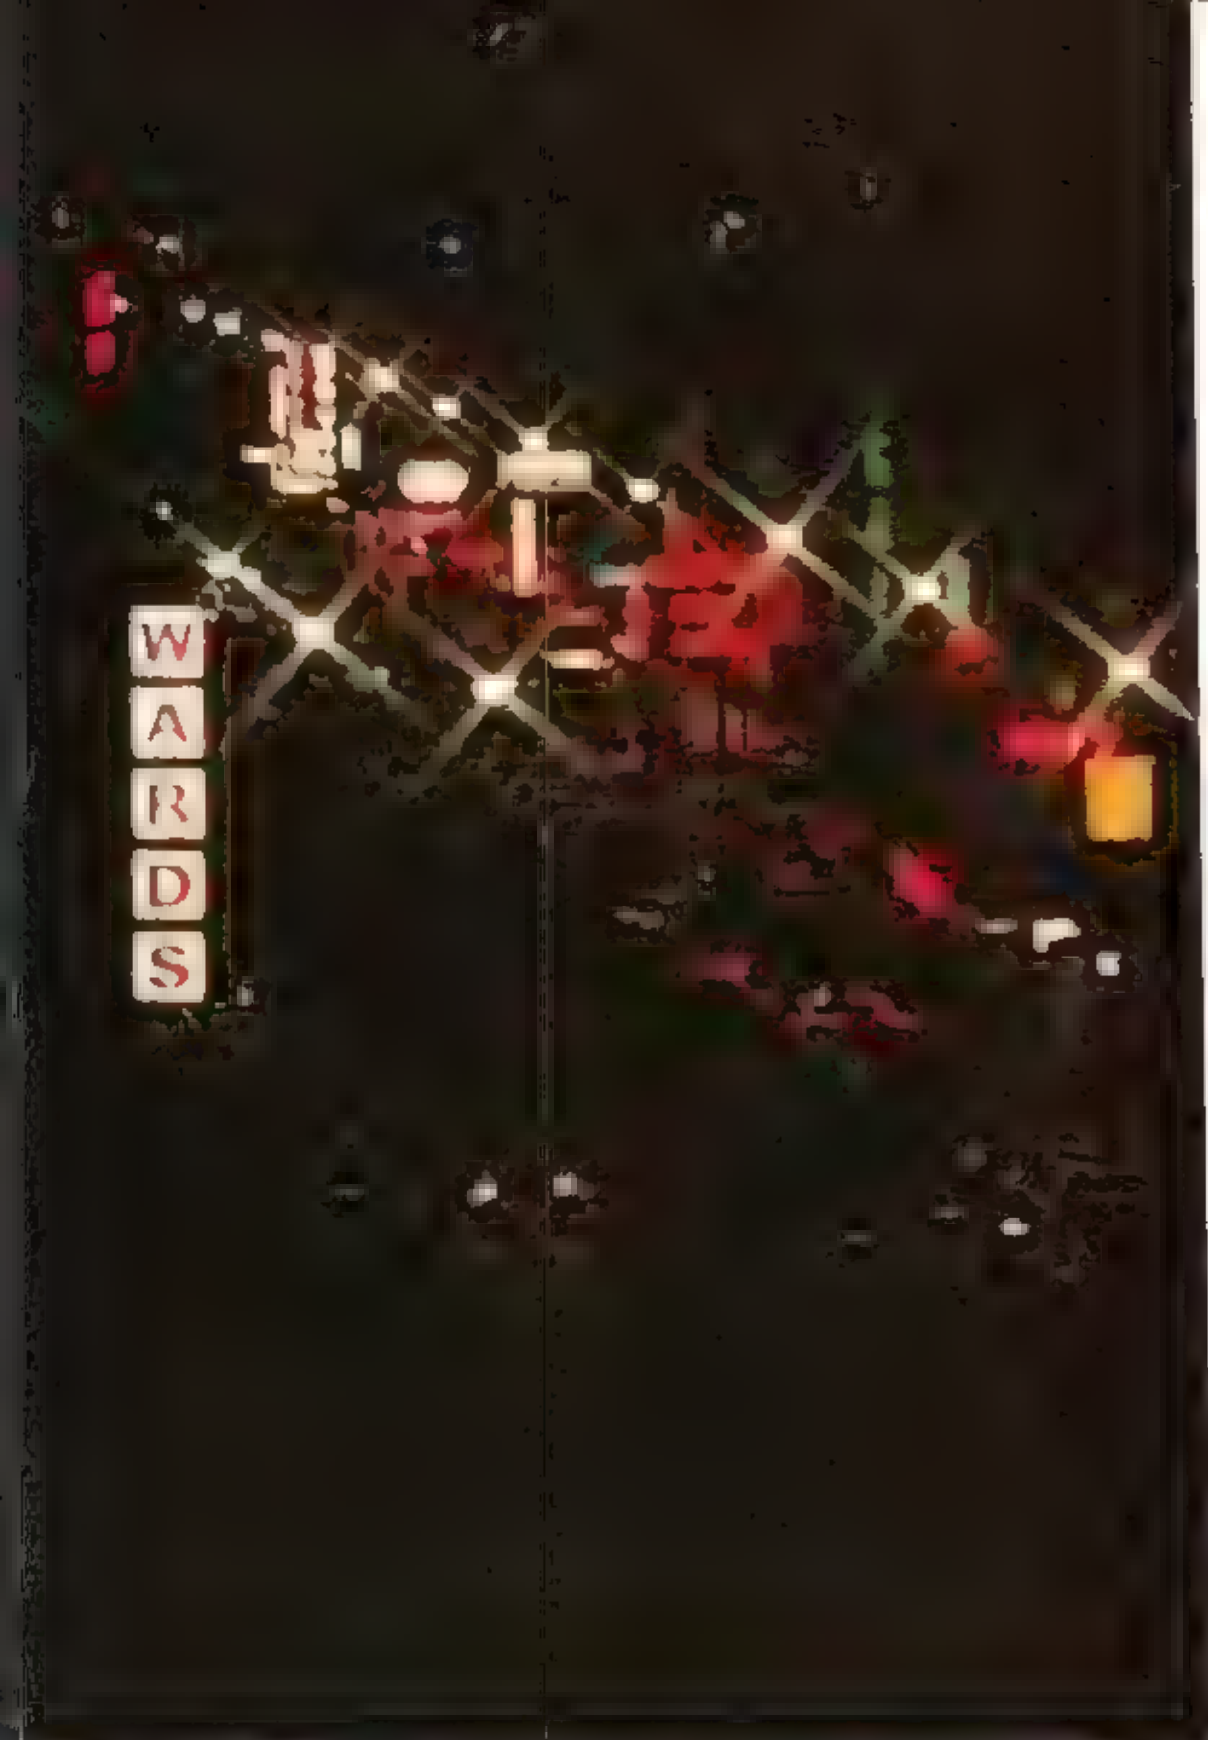

Time is in constant movement—even when there seems no place to go.

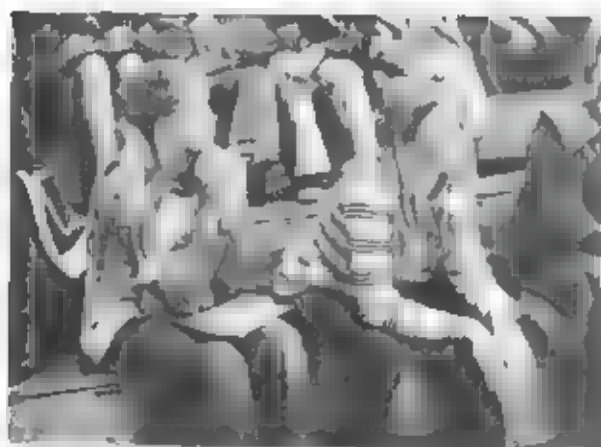

The decay of the old brings establishment of the new, for the end is only a beginning. Each succeeding year brings different problems, changing faces, and a new awareness. Let us see life as it is meant to be—a chance for everyone to make his own contribution, however insignificant. To be alone, or in the companionship of others, we cannot be indifferent to our changing world.

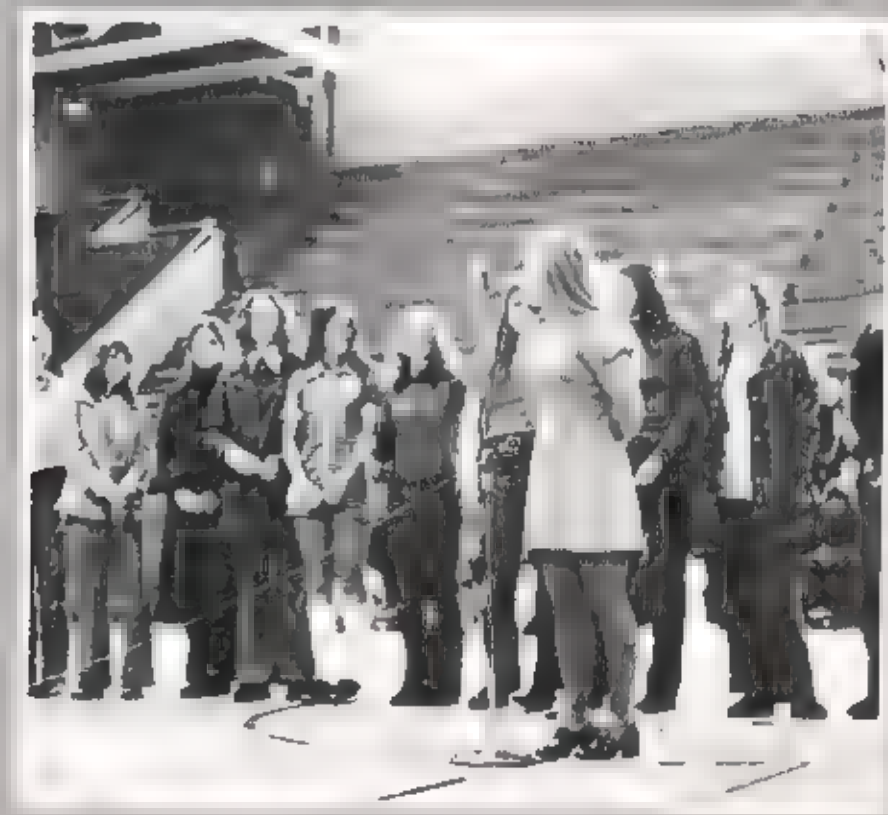

One minute, passing unnoticed.  
One day, so short.  
One year, so fleeting.  
They are given to us only once,  
never to be recaptured.

Four days packed with excitement, competition, and hilarity marked Homecoming, 1972. Under Chairman Mark Roetcisoender, classes plunged into activities with spirited determination and enthusiasm.

Beginning with the tradition of Lettermen's Day, the more imaginative side of dress came about as the week progressed. Greeted by peppy painted windows at the cafetorium, students began Monday with the tense excitement of Coronation. To the strains of "Only a Beginning," played by the MVHS stage band, Queen Linda Patterson was spotlighted into the scarlet and pink bedecked gymnasium.

Tuesday was Stunt Day, when a colorful mob including hopeless cripples, Indian squaws, gangsters and squash heads lined the track as Seniors showed their superior strength in the car push.

Things got a little wet as classes combatted in the Tug-of-War scheduled for Black Day. Threats of water spray and some slippery footwork didn't dampen the spirits for the Juniors, who managed to come out on top. Although the annual bonfire was canceled, Wednesday night's Serpentine proved to be just as wild and fun as in previous years. Heralded by the band truck, royalty, and cheerleaders, the students wound through downtown Mount Vernon and made their way to the school, excitement mounting for the approaching game.

Talent and creativity reached its peak in Thursday's assembly with a variety of entertaining skits and activities. Godfather Jerry Rodriguez and his "family" charmed their audience with a catchy portrayal of the Mafia mob at its cruelest. For the third year in their High School career, Seniors captured the prize for best class yell, "Urine Bulldog Country."

Following the assembly, the carefully secreted floats were revealed, with Sophomores coming out the winners. The royalty car led the parade through Mount Vernon, with the Boys' Rally Association bringing up the rear.

# Week Filled With Multitudes of Events

Whatever the interest or talent, every class had the chance to shine in the numerous events scheduled throughout the week. Although competition was close, the Sophomores took the prize for overall points and participation.

After such a successful week of lively school spirit, what could be a better finale than to watch the MVHS football team in action against the Sedro Wooley Cubs at the game honoring the Class of 1963.

Halftime entertainment included the presentation of royalty, class floats, and the marching band. Also showing off for the alumni, the mighty Bulldogs racked up a 21-6 score making Homecoming, 1972 a notable success.

As the crown of a perfect week, the semi-formal Homecoming Dance was held in the cafetorium with music by "Wall Flower."

Unrestrained happiness, crazy-looking characters, dogged determination, and hours of work was Homecoming, 1972. But that's not what it was all about. Homecoming for everyone involved is a memory, however small, however unforgettable. For a Freshman it may open a world of new experiences; to a Senior it may mean something much more. We remember our 1972 team, royalty, and cheerleaders—who have brought honor to MVHS. Thoughts of those four days of friendly, sometimes fierce competition are tucked away in the back of our minds with reflections of the many people who made Homecoming what it was.

Football 1972 proved to be very successful for the Mount Vernon Bulldogs after they put together a 8-2-0 record, good enough for second place.

After being dropped by Pilchuck, the Bulldogs dumped seven straight, but were stopped by the Number Two team in the state, Burlington-Edison. Then a determined group of Seniors led the green and white to a 22-7 victory over 8th ranked Arlington Eagles.

The climax of the season for both Coach Beasley and the team was the big game with Burlington. After leading for three quarters, the Bulldogs let the visitors sneak two touchdowns in for a 14-7 heartbreaker.

Seniors playing their last season for the Mount Vernon Bulldogs were Jim Robbins, Tom Simonseth, Mike Holmstrom, Craig Vincent, Tom Hughes, Steve Okerlund, Glen Peterson, Steve Jewett, Kelly Vivian, Corey Mendoza, Craig Van Houton, Joe Parker, Jim Coapstick, and Jeff Bagley.

Some Junior starters for the Bulldogs included Dean Cunningham, Hamp Taylor, Monte Geerdes, and Jay Crawford.

Playing for their first time on a Varsity team were the Sophomores, who gained experience which will help them in years to come. Outstanding Sophomores were Mark Larson, Randy Hugely, and Mark White

## After Slow Season Start, CC Team

Coach Darrell Pearson had much to be proud of in his 1972 Cross Country troops, who put together an excellent running season.

The Cross Country men were led by the trio of Jeff Keeton, Kevin Clark, and Marv Simpson, who were all standouts on the team.

After putting together a two win, three loss record, the thinclads took first in county, second in league, and third in district. Coach Pearson's fine group of Seniors included Kevin Clark, Marv Simpson, Mike McKinley, Wayne Hayton, Tom DeGoede, and Martin Soler.

Juniors were Jeff Keeton, Tim Purcell, Dave Norton, and Mark Wilson. Outstanding Sophomores were John Vizcaya, Larry Heller, and Stan Olson.

# Grapplers Carry on Bulldog Tradition

Coach Paul Reiman's wrestling teams have been known in the Northwest league as power-houses and the 1972-73 season was no exception.

Led by a fine group of senior grapplers the Bulldogs turned in a 8-3-1 record, good enough for fourth place in the league standings.

The Bulldogs had five strong men go to the state meet. They were Warren Gilbert, Kevin Mendoza, Corey Mendoza, Dave Bear, and Steve Jewett

Other wrestlers who turned in good seasons were Seniors John Price, Dennis Sundean, and Tom Hughes. Juniors were Monte Geerdes, Dean Cunningham, Scott Higgins, and Jim McClellan. Some fine Sophomores were Keith Knight and Warren Gilbert

Coach Bill McCutchin's freshmen team turned in an undefeated season with a group of fine future wrestlers.

A tall basketball team is not always the key to a good season. This was proven by Dave Quall's 1972-73 team.

After starting the season with a loss to Arlington, the Roundballers pounded out 11 straight victories. When it was all over, a berth for third was firmly secured after a close game with Burlington.

Seniors doing an outstanding job in their last year were Jim Robbins, Tom Simonseth, Joe Aylesworth, Denis Olson, Glen Peterson, and Craig Vincent. Juniors were high scorer Fred Knutsen, and Scott Hatcher, Roger Valentine, and Gary Santeford.

Sophomores Mark Larson, Joel Suelzle, and Kelly McIvor gained valuable experience for future years.

## Underclassmen Add Strength to 'Fish

The 1972-73 swim season at Mount Vernon was labeled by many as just an "average" season. The Bullfish finished with a 10-2-0 record, losing only to Mariner and Cascade of the Western Conference.

Sparked with enthusiasm, the Junior Varsity completed a very successful season, only losing one. These upcoming Bullfish were considered by Coach Perry Brown to be top contenders in future seasons.

Seniors who led the victorious swim team were as follows: Mark Roetcisoender, Jim Leander, Brad Butler, and Lee Hall, followed by Juniors Bob Rhone, Steve Dundin, Bruce Eastman, and Jerry Byfield, Sophomores Randy Hughley, Karlen Walser, and Stan Olson. The Freshmen who did an outstanding job for Mount Vernon were Bob Reehorn and Kevin Moore.

The swim team was very appreciative of the fine turnout at swim meets by students who seemed to becoming more and more interested in this fine winter sport.

## Girls Carry on MV's Winning Ways

Girls' volleyball proved they could keep up the Mount Vernon tradition by having an impressive season record of 5-2

The team, coached by Karen Tait, went from game to game mixing serious playing with fun times.

Hard work and determination were the requirements of the inspirational award, which the team voted to Lori Suelzle for the '72 season.

The Seniors on the team included Lori Suelzle, Terry Wilyat, Viky Woodworth, Lori Knutsen, and Suzanne Ashley. Junior Bev Gorton and Sophomore Cindy Chabot provided their help in winning

For the girls' volleyball team, the 1972-73 season will be remembered for its near losses and close wins; but for the Girls there was more than just the winning or losing

The crisp, fall weather was enjoyed by the girls who turned out every afternoon for tennis. The team was made up mainly of newcomers to the sport and even though there were no matches won, the team tried hard. Hopefully some of the experience gained in 1972 will contribute to a more successful tennis record next year.

# Four Girl Gymnasts Win State Berths

The 1972-73 Girls' Gymnastics team had a commendable season, considering they lost most of their championship team from the year before.

Earning berths in the state meet were lady Bulldogs Toni Manduchi, tumbling, Kathy Price, trampoline, Pam Johnson, vault, and Laura Wilson, vault.

Coach Karen Tait said this season she had a fine group of girls who will do very well in future years since they are a young team consisting almost entirely of Freshmen and Sophomores.

The only Senior girl on the squad was Viky Woodworth, who turned in another fine season. Rounding out the small group of upperclassmen, Kathy Price and Tami Adkins represented the Juniors with ability and experience.

Outstanding Sophomores were Tina Adkins, Cathy Cauffman, Toni Manduchi, and Laura Wilson.

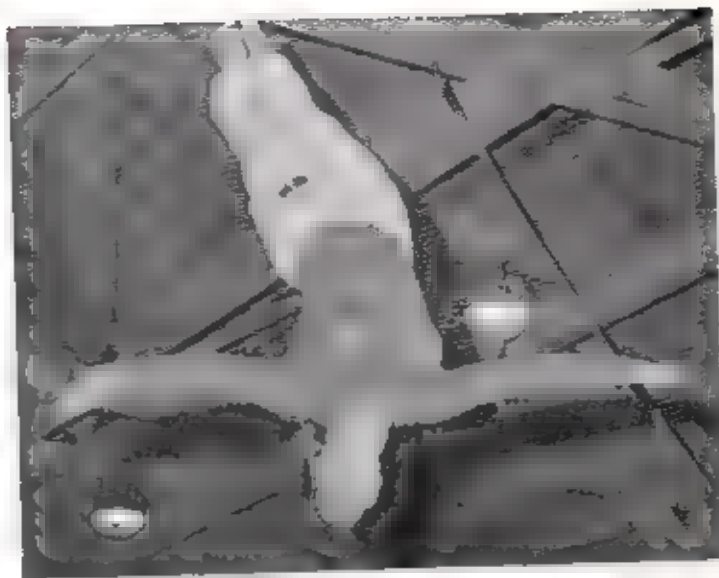

Making up an excellent group of Freshmen were Linda Brandstrom, Kathy Carlson, Michelle Howe, Pam Johnson, Tracy Nystuen, Jody Page, Nancy Walker and Marnie Wood.

# Younger Set Becomes 'Part' of MVHS

Clusters of activities and a growing pride in their high school proved to be a stimulating experience for 314 new Freshmen. Although the class of 1976 was made up of several different schools, a common sense of unity for varying challenges soon assembled them to work together. Evidence of an upcoming spirit became a reality in their production of a second place Homecoming float and active sports participation. With the support of their fellow-classmen, the Freshman football team wrapped up the season with a 4 win, 1 loss, and 1 tie record.

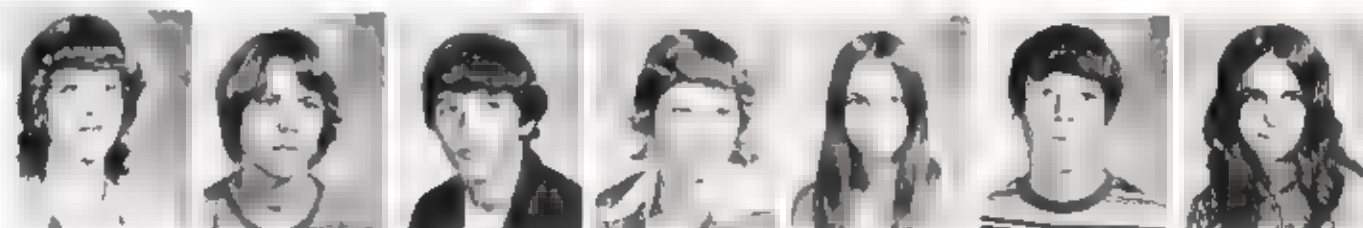

Always under the conscientious leadership of class officers Pat Wilson, President; Cheryl Trucker, Vice President; Secretary Kathy Carlson and Treasurer Mimi Roozen, the "youngest set" of Mount Vernon High School eventually emerged through the confusion of scheduling to establish a special place for themselves and their interests in a realm of students.

With a full year at MVHS under their belts, the class of '76 anticipates increased involvement and responsibilities at school.

Freshmen 'rock-out' to the music at the Bo-Gi Ha Pa.

Class officers From Left: Karen Reep, Secretary; Tim Spink, Vice President; Scott Hulbert, President, and Julie Smiley, Treasurer relax in typical Sophomore surroundings.

## One Step Closer to Upper Division

With the hectic Freshman days behind them, Sophomores found the life good as they moved closer towards the honored title of upperclassmen. "Sweet sixteen" corsages, brand new letter jackets and drivers' education made their mark for the progressing Sophomores throughout the year. Led by Scott Hulbert, President, Tim Spink, Vice President, Karen Reep, Secretary, and Julie Smiley, Treasurer, the class of '75 proved to be one of the peppiest, most enthusiastic classes ever.

Hard work paid off with the Sophomore class taking almost all the glories during Homecoming week with a first place float, and a second place in class skit, yell and Tug-of-War.

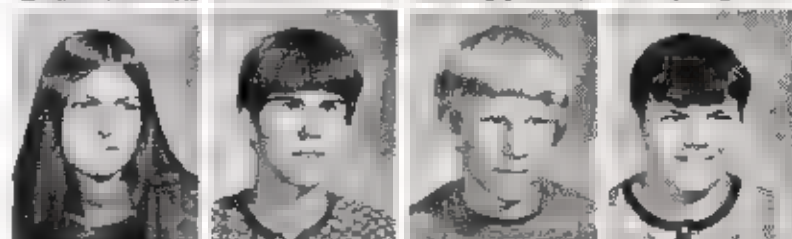

Bringing out the best of their talents, members of the Sophomore class were found in all phases of school life, filling in many spots on the junior varsity teams and in various clubs and activities throughout the year.

Thoughts of the majority of Sophomores now turn to oncoming years as they climb another rung of the ladder to the future and look back on the accomplishments and occasional failures that enable them to learn with time.

# Class of '74 Plays Vital Role in Sports

Through varied school-oriented and extra-curricular activities, President Roger Valentine led his class through '72 and '73. Meanwhile other officers, Vice President Mitch Johnson, Secretary Nancy Wright, and Treasurer Silvia Torres also showed determination to make their first year as upperclassmen a successful one.

Juniors expressed their talents in many ways, including sports, clubs and music. Many junior boys joined the varsity ranks and helped the Bulldogs fight toward victory.

During Homecoming Week, even though juniors came in last overall, they did produce a first place window and their abundance of energy and strength helped them win the Tug-of War.

As the seasons progressed from winter to spring, junior officers began preparing for the annual Junior Prom, working along with officers from other schools to make it a successful dance. This event highlighted the completion of their third year at MVHS.

# Class of '73 Proves Its Varied Talents

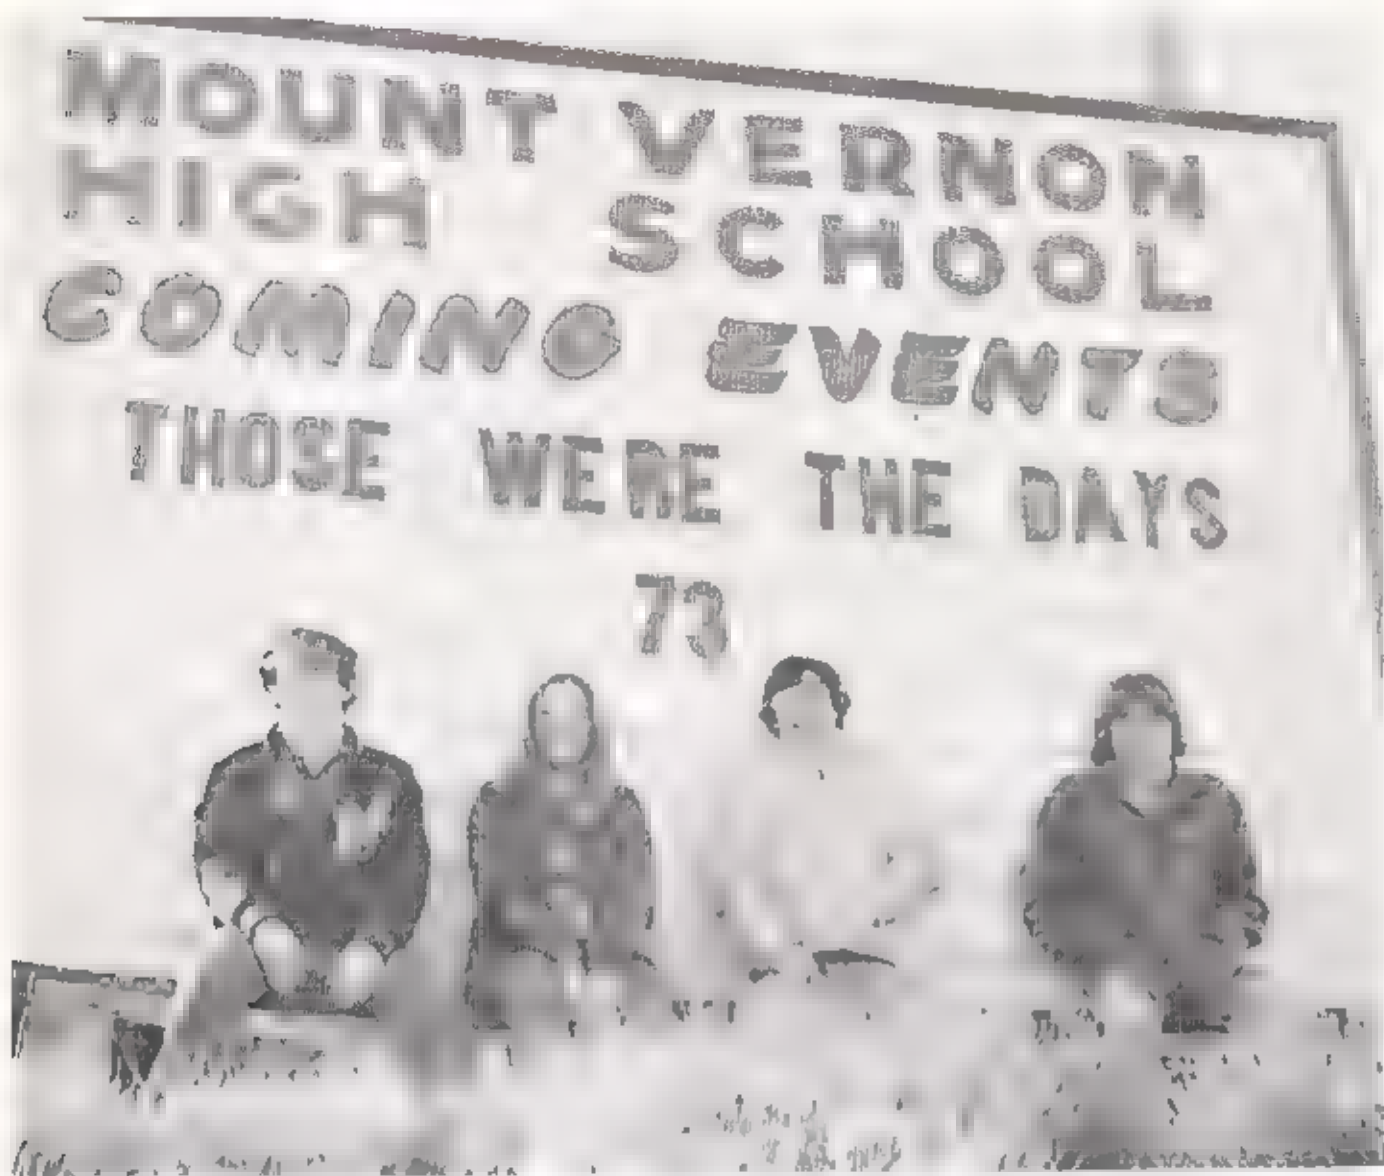

In the midst of a deadly duel, Saint George, played by Kevin Clark and the Turkish Knight Jerry Rodriguez, battle it out in the Senior assembly

Above: Mealtime doesn't always have to be a female task, as Kelly Vivian, winner of the Betty Crocker Homemaker of Tomorrow proves.  
Right: Chosen to reign over the Senior Ball are Lori Suelzle and Alan Perkes

Those were the days . . . for the class of '73 and their officers. From Left to Right: Jim Robbins, President; Linda Patterson, Secretary; Gene Morelan, Treasurer, and Jim Leander, Vice President.

## Seniors Say Farewell to High School

With a special opportunity for government education and meeting new people, Mike Spink (From Left), Kelly Vivian, Laurie Schopf, Jane Miller, Barb Graff, and Steve Okerlund represented MVHS at Girls' and Boys' State.

Some of the most lingering memories are those of high school days. For Seniors, a special phase of their lives has come to a close.

The rising hysteria of a close basketball game, or the nipping cold of football stands held their own attraction for Senior spectators. Pressing days of tests and teachers were tempered with the usual abundance of classroom jokes and the sometimes "wild weekends".

With a typical brand of humor and clever clowning, the class of '73 presented their choice of the annual Christmas assembly, Saint George; A Christmas Mummies Play.

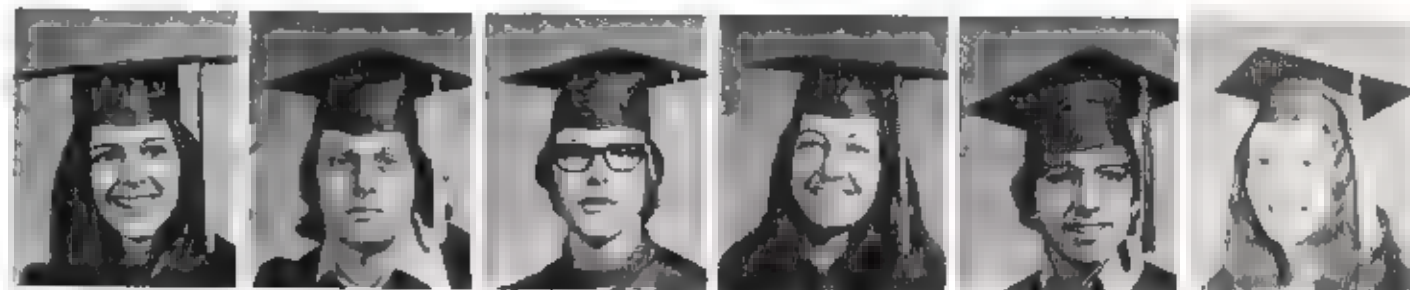

Concentrated efforts in fund-raising activities enabled Seniors to earn a sizeable sum of money toward the traditional graduation cruise in the spring. Halloween candy salesmen turned into Christmas tree designers as the months progressed. Although the class of '73 did not win any cash prizes, they did put up a tree with original decorations in the area schools' display in the Mount Vernon Mall.

Proof of their higher level of "smarts" was evident in the record number of torch and a large number of honorary and scholastic awards received.

## ACTIVITIES

Below Left: In one of his more sedate moods, Attorney General Jerry Rodriguez finally finds security. Below Middle: Efficiency personified sums up Kelly "Bubba" Vivian's role as Secretary. Right: As Treasurer of A. S. B., Kevin Clark finds it entails many duties.

Above: Undertaking the task of Secretary of Student Finance is Steve Okerlund. Above Right: Helping Kevin with A.S.B. finances is not all that easy, as Bruce Fastman, Assistant Treasurer, soon discovers. Right: It's surprising how much garbage accumulates in the A. S. B. offices.

# Humor, Hard Work Mix in ASB Office

There are many people and activities that make up Mount Vernon High School, but without the continuous energies of our student body officers campus life would not have been what it was this year. With the aid and encouragement of Mr. Jim Jacobson, Director of Student Activities, the A.S.B. officers proved the effectiveness of an efficient student government system.

President Mike Spink embarked on a full-scale program of student involvement in every aspect of school life. Barb Graff demonstrated her outstanding sense of organization and leadership in her role as Vice President. Their enduring efforts brought about a multitude of social functions as well as learning and competitive experiences.

Never hesitating to get involved, the officers proved their genuine interest in the school they have represented through their active participation.

Despite their humorous attitude toward many things, Kelly Vivian and Jerry Rodriguez took their duties of Secretary and Attorney General with a serious of purpose characteristic of their co-officers

Managing student body funds was a time-consuming occupation for Treasurer, Kevin Clark and his assistant Bruce Eastman. Also assisting with money management was Steve Okerlund, Secretary of Student Finance

Surmounting goals and a united purpose characterized the operation of the Senate. The experience and conscientiousness of A.S.B. Vice President, Barb Graff, led senators through a year of decisions and discussions on everything from amendments to appointments. For the second consecutive year, Barb's devotion and patience assured the smooth movement of an organized Senate.

Logical reasoning gave way to heated arguments in the course of the months, as members of Senate aired their opinions and beliefs. Electors' meetings were held regularly with the intention of keeping students informed as to the actions of Senate. Vital points of interest included a bill concerning homecoming royalty nominees, and an amendment which provided for a new A.S.B. office of Assistant Vice President.

Along the same line was the Judicial Board, who decided the constitutionality of all laws passed by Senate and also settled student disputes when involved with the Constitution.

Above Right: Billy McClaskey points out the terms of his bill under the watchful eye of Barb Gaff Senate's presiding officer. # Crises Normal for Publications' Staffs

Most everyone likes to know what is going on in their school. Through the efforts of the Bulldog staff, a newspaper was distributed bi-monthly to keep all interested individuals informed. Humorous stories and jokes mingled with the sometimes more serious side of the "Letters to the Editor" section and reports of school events. Typewriters clicking and minds working, reporters and editors used their abilities to present an entertaining and informative account of daily school life.

Covering school activity on a larger scale was the Skagina staff. With the support and patience of Mrs. Marilyn Chicoratic, Adviser, the editors and staff worked steadily throughout the months to produce a good yearbook. Cooperation and devotion enabled them to get through the weariness of deadlines, the hassle of pictures, and countless "crises".

Although a lot of work was involved, the publications staffs managed to get their share of fun through birthday parties, secret notes, singing Christmas carols in October, painting and decorating their rooms, working in concessions, and various other means of entertainment.

Lost sleep, missed meals, and ferries never caught made for a hectic, busy, and very full year, as the MVHS Cheerleaders inspired and led sports-minded fans from Cross-Country to Baseball

Turning out two hours every day after school prepared the girls to present well-planned and original routines and yells. Modern dance became an interesting and enjoyable addition to the traditional routines performed in previous years.

The energetic seven planned pep assemblies and made food and treats for the teams during season.

Kidnap breakfasts, both on the giving and receiving ends, occupied early mornings. The football and Cross-Country team members were recipients of the unsuspected one morning before the Burlington- Edison football game; the next morning found the cheerleaders, complete with night clothes and curlers, the victims of the Burlington- Edison cheerleaders.

Leading class competition during the Oak Harbor football pep assembly was a newly-appointed cheerleader, Mr. Larry Godden, who contributed his talent and extensive personality to add a special touch to a special assembly.

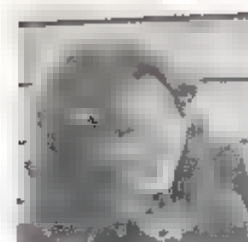

All sports got the royal treatment with the squad covering all events. Overlapping happenings called for drawing straws, as no one meet, match, or game was left without its backbone and support, the MVHS Cheerleaders.

# Talented Thespians Most Active Club

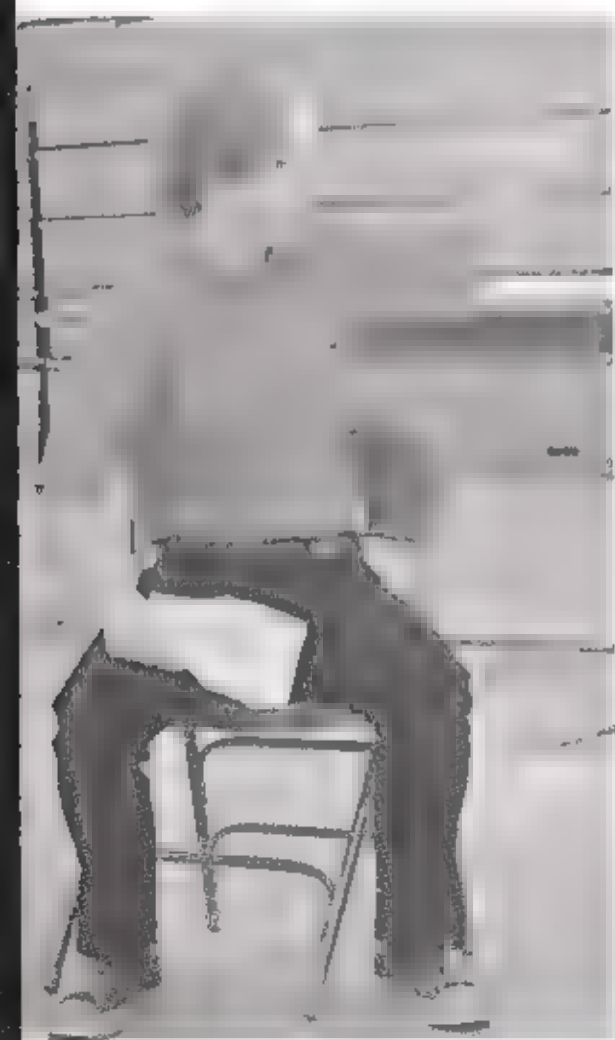

The Thespians are an elite group formed of drama veterans who have each earned at least ten points. Points can only be earned by participation in a stage production. After receiving the required amount, the hopefuls are initiated into the group. This initiation and later baptizing can be, and usually is, a wild and hair-raising experience, as only the devious minds of drama students can devise. The lucky initiates this year were graduates of "The Odd Couple" and "Fiddler on the Roof".

Thespian players have earned themselves a reputation of performing the cutest, corniest, and craziest assembly skits on campus. These skits have also turned Charlie Brister into a legend in his own time.

Regardless of their antics, all must admit that MVHS would be a dull place indeed without its Thespians.

# Couple' Favorite With Local Audiences

Gourmet cooking and meticulous housecleaning are daily musts for Felix Ungar. Unfortunately, his extreme cleanliness only serves to infuriate the disorderly, neglectful Oscar Madison. Can two divorced men share the same apartment without driving each other crazy?

Despite its relatively small cast, the fall production of "The Odd Couple", directed by Mr. Joe Daman, brought across with full force the humor of fun and fights in a typical New York City apartment. Always on the scene were "the boys", who gathered together in the Madison living room for a continuing game of poker. With the establishment of Felix (Charlie Brister) as a permanent resident, things underwent a most noticeable change—much to the exasperation of Oscar (Matt Endrizzi) and the other men.

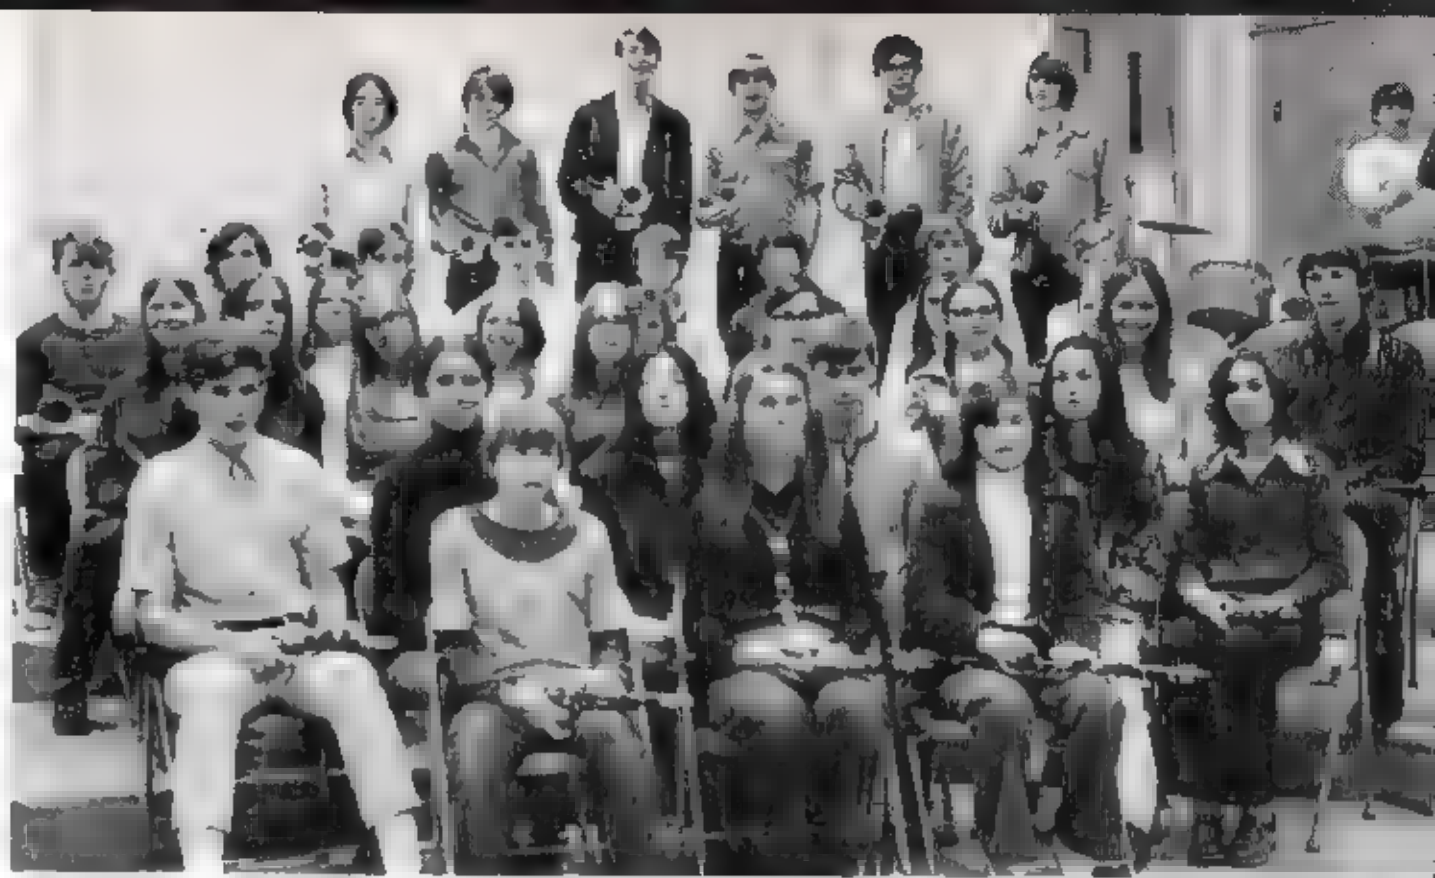

Life for Felix and Oscar would not have been the same if Gwendolyn (April Brookins) and Cecily Pigeon (Hilda Halliday) had not arrived on the scene. However they managed it, the two delectable sisters - complete with English accents and flashy dresses - charmed Felix into settling in their upstairs apartment as the solution to everyone's problems.

## Huge Band Works for New Uniforms

With the common goal of raising money for much needed new uniforms and the traditional trip to Victoria, a record all-time high of 85 band members combined efforts in sponsoring a dance, preparing a dinner for area residents, and selling fruitcakes.

An integral part of MVHS, the band supports the football and basketball games with their pep music and enthusiastic instrumentality. Marching at the Homecoming game, riding in the parade, and performing in many concerts were just a few of the scheduled year's events.

Both the band and the stage band were under the direction of Mr. Greg Tiemann, with Band President Jerry Rodriguez being drum major and student director.

Scheduled conflicts gave stage band a slow start, but once the wheel was in motion it proved to be not only a diversifying and interesting musical group, but also an enjoyable one to all concerned.

Harmony and depth of feeling became of utmost importance when the orchestra assembled under the direction of Charles Easton. Included among their repertoire were classical as well as contemporary composers. The orchestra performed at many concerts throughout the year.

Daily vocal exercises gave way to a burst of sound as this year's concert choir performed with the musical ability of a top notch group. The concert choir put forth with a big sound when numbers including a rock musical, movie theme songs, "pop" Bach and harmonious A Cappella tunes were performed.

Also under the direction of Mr. Greg Tiemann Girls' Choir, composed mainly of Freshman, provided the opportunity for the cultivation of an improved singing style.

# Futures Chartered Through MVHS Clubs

With a group formed primarily of Freshmen girls, the Future Homemakers of America started the year by choosing "Take Time to Care" as their Program of Work. The next meeting was the kidnap breakfast planned by the older members to initiate incoming Freshmen.

Fund-raising projects were noted and Christmas card sales, and February's annual Cherry Pie Sale. The year was highlighted by the March 10th Recognition Day regional meeting hosted by the Mount Vernon Chapter. One hundred fifty girls from Region One, which includes most of Northwest Washington, attended.

Another group preparing for students' further education is the Future Nurses of America. The club, which flourishes under the guiding hand of school nurse Mrs. Phyllis Pearson, enjoys the distinction of being one of the largest and most active at MVHS.

Besides their six day a week job of candy-stripping FNA participated with other service organizations in a 15 mile Walkathon for Muscular Dystrophy, and the Cancer Drive held in March.

On teachers in service days 30 interested Future Nurses took two field trips. The first, in the fall, was to the John Hayes School of the Blind in Seattle. In the spring the trip was to Madigan General Hospital at Fort Lewis.

Under the direction of Mr. Howard Howell and Mr. George Mowrer, the Future Farmers of America have this year won a record number of awards in all categories. For their efforts members earned 93 rosettes, 24 trophies, and 15 judging banners. The Mount Vernon Chapter also had the honor of being represented by sophomore member Karl Krangnes on the State Dairy Team. This was the third consecutive year that a Mount Vernon member was chosen for the team.

The big fund-raising project for the year was the walnut, filbert, and apple sale. When a Future Farmer starts a project, it's a sure bet that it will be done well, as was this sale. For added initiative special awards were offered. Members received points for participating in the sale, and after selling specified amounts of nuts or fruit won such prizes as tickets to a Totem hockey game, free FFA jackets, doubled sale points, and extra money. As most FFA activities, the sale was a whopping success. Twenty-three members sold \$36 worth, 18 over \$75, 16 over \$100, two over \$225, and two members, Wes Howell and Karl Krangnes, sold over \$250 each.

## Shadows Spur Bulldogs to Victories

Paint splashed jeans and paper covered floors characterized long hours of work in making signs for upcoming sports events. Thanks to the diligence of club officers, Mary Brannan, President; Debbie Jensen, Vice President; Silvia Torres, Treasurer; and Liz Brannan, Secretary; and some devoted members, students were greeted by a cluster of illuminating signs adorning the gym and halls.

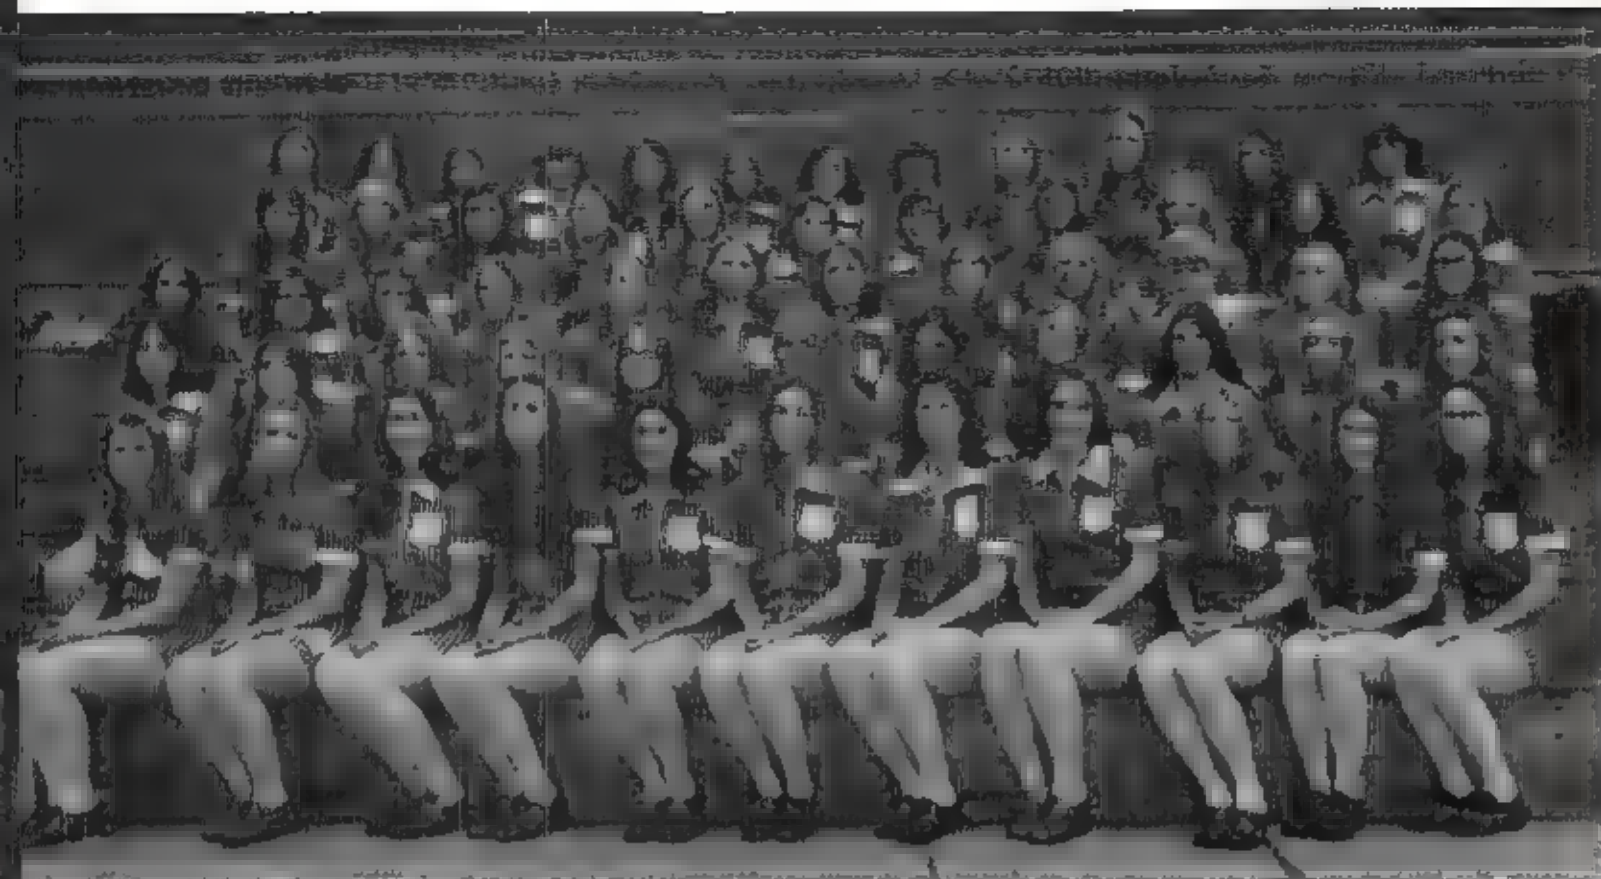

Whether it be with a cherry banner or a batch of homebaked brownies, Pep Club "shadows" brightened the day for many sports participants. Words of encouragement, a luscious box of pastry or a crazy little present served to make the fight that much easier for those turning out for sports—and those lucky enough to get an attentive shadow.

Night or day, an energetic group of girls managed to stimulate a sense of pep. Cross Country team members were treated to an early breakfast, "kidnap style", while football players were honored with colored carnations at the Homecoming assembly.

With membership open to all the girls in school, Pep Club offers the opportunity to support "our boys" in many worthwhile ways.

# Education and Fun Combined in Clubs

Though the year started with more problems than prospects, Ski Club's financial and disciplinary difficulties were finally ironed out. Adviser Bruce Boyer doubled as a chaperone on one of the two ski busses going to Mount Baker for seven Saturdays. Despite the happy ending to the mountain trips, Ski Club's window display in the cafeteria was disastrous. Unfortunately, an expensive pair of skis were found to be missing and have not yet been returned. Hopefully, future years will bring this organization better luck.

French Club, under adviser Susan Redd, consists of first and second year and a few former French students. Each month the club centers an activity around a French holiday. Creations have included designing puppets and theater, French pastries, and a traditional dinner. January 6, "La Fete des Rois" was celebrated with a special cake with a bean baked inside. The person finding the bean was duly crowned, and became the king or queen for the day.

# Interest in German Club Booms at MV

In recent years, German Club has been barely active as a collected group. Renewed interest and participation this year stemmed from the election of new officers, Danya Johnson, President; Diane Johnson, Vice President; Gretchen Lindberg, Secretary-Treasurer; and Julie Smiley, Sergeant-at-arms.

Plans were soon under way for the first club event with Urs Dohrman, German exchange student, as honored guest. Urs has been attending Anacortes High School during the 1972-1973 school year, but has made quite a few visits to the Mount Vernon area.

As Christmas approached, the club embarked on a series of seasonal projects ranging from holiday baking to a traditional Christmas play. Yuletide carols and an assortment of tempting goodies lent a festive air to the occasion when Herr Walter (adviser) and his wife hosted the ever-popular Christmas party. With Urs present once again, students were able to learn more about activities in his home of Wolfsburg.

Fund-raising activities included the selling of paper flowers during Homecoming week and concessions for the Oak Harbor basketball game.

# Girls Back Series of Popular Events

Ideally, Girls' Club consists of every girl in MVHS. Although active participation is dwindling, the cabinet and officers organized and carried through a variety of activities, starting with the first dance of the school year and a succession of special dances that increased in popularity as the year progressed.

October brought with it the "Pumpkin Patch Masquerade", a Halloween tolo featuring a parade of crazy-looking costumes and spooky masks. Plans and service for the Homecoming alumni tea preceding thanksgiving baskets rounded off the autumn agenda.

Commonly seen in the community were vehicles of every type bearing the telltale "I'm For the M.V. Bulldogs" bumper stickers, sold to raise Girls' Club out of the depths of debt.

Because of restricted roads, the annual Christmas carolling bus to Northern State Hospital was cancelled, but as February rolled around, things took a different turn. Replacing the traditional Sweetheart Ball, Girls' Club joined the community bandwagon and spiced the seasonal patriotic holidays with a newly established Cherry Tolo.

## Debaters Show Serious Side of Teens

"My partner and I are very pleased to be here today to debate the topic-Resolved: that governmental financial support for all public, elementary, and secondary schools in the United States should be provided exclusively by the Federal Government."

Sound a little bit involved? It is only an example of the serious thinking and power of speech put forth by this year's debaters. Accompanied by Miss Barbara Schott, Adviser, they attended meets from Bellingham to Seattle, arguing the proposition both ways.

Also attending many of the meets were the contest speakers. Contest speaking is an individual event in which the speakers prepare their own material choosing from several different categories.

Intelligence extends itself to another realm of students in the Honor Society. Despite its large membership, it is far from the most active club in the school. This is probably attributed to the fact that most of its members are also involved in various other activities which take up much of their time.

Top Above: Pouring tediously over their school books are Honor Society officers Kim Crawford, vice president, Jerry Rodriguez, president and Steve Okerlund, secretary treasurer. # Radio Club Produces Top Grade Show

Above: Earphones tuned in for another exciting program are Radio Club officers, Esther Horton, Bookie; John Meyer, President; Teresa Rude, Secretary; Jon McGraw, Vice President; Don Callender, Garbage Collector, and John Price, Bouncer

Still presenting the highest quality of entertaining and educational radio, the Mount Vernon High School Radio Club began its fourth great year on KAGT with the exciting voices of disc jockeys of every type

The club and class, under the guidance of Mr. Mark Pearson and Mr. Joe Daman, aired a weekly talk and music show on Thursday evenings from 6:00 to 7:00. The show included live ads, interviews, sports news and forecasts, school gossip, and lots of interesting gab.

In addition to their action at the radio station was the work and creativity involved in class in preparation for the show. One could expect a banner of names "in the news" to be hung in the hall as a preview of that evening's "Bulldog Heavy 60" program.

Special guest speakers, (among them Dan Hemingway from Seattle's KING), tapes, and field trips aided the disc jockeys in compiling a first-rate program of entertainment and humor.

Officers for the club included: John Meyer, President; Vice President Jon McGraw; Esther Horton, Bookie; and Secretary Teresa Rude. Also necessary for the group's welfare were Garbage Collector Don Callender; Bouncer John Price; and Class Clown Kevin Clark

Though only in their third year of organization, SPADES has proved themselves a very worthwhile group in service to their community. This year, members volunteered their time to help children at Jefferson School and visit patients at Northern State Hospital. They have sponsored dances and parties for New Leaf, Incorporated, and contributed many members to the Walkathon for muscular dystrophy in November.

Exchange Club was formed earlier this year in the hopes of organizing Mount Vernon High School's student exchange program. With a club system a larger variety of more interested students could be chosen. Between five and eight members visited a school for one day, where they were hosted by a student from that school. Later in the week they in turn guided their student host around MVHS, taking them to their classes and lunch, while showing points of interest. This year, most schools in our Northwest League have exchanged with Mount Vernon.

The newest organization on campus was the Chicano Club, with adviser Mrs. Frances Leander. The club has many good intentions and hopes to achieve the recognition that the nation wide organization has won in other areas.

## Key Club Proves One of More Active

Have you ever wondered who mans the snow cone machines at every basketball game? Who picks up the litter around campus and community? Who heads hundreds of time consuming projects for the betterment of their area? The answer is, of course, the MVHS Key Club. With the help of their adviser Mr. Al Evans, the Key Club did all this, and still managed to enjoy themselves in the process.

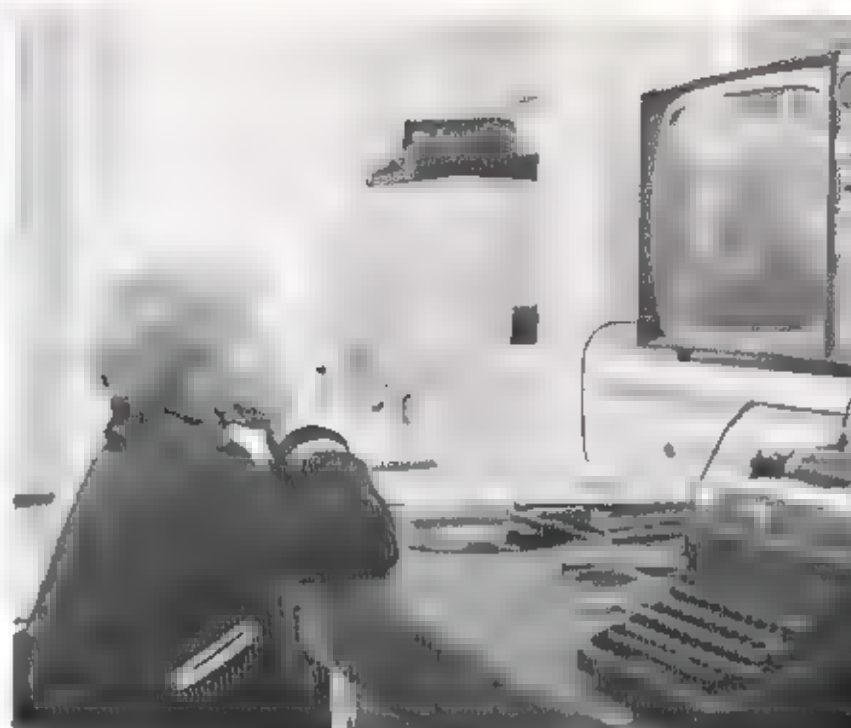

The Bike Club was formed in the interest of ecology and 'just for the fun of it!' Bike Club members planned outings for any nice day that happened along. The 'where' and 'how' parts of the excursions were never planned, though. Members brought along a lunch and ate where ever they found themselves. Plans are being made for next year's members to have completed a mileage requirement before joining the club.

All that is required of an Art Club member is an interest in art. At meetings, members worked on projects that they may have started in class. The annual art show at the end of the year was the club's main money making project.

Gone are the days of tricycles and kool-aid stands, Saturday morning cartoons and bedtime stories. From tiny tots to a rising generation of youth, MVHS students are caught up in the transition to adulthood.

Advancing age breeds a changing outlook and different pastimes. Moments of expectation and relaxation are short-lived, with the seconds ticking by. To think in silence is inevitably interrupted. Too little to do . . . too much to do. With all its noise and headaches, rewards and excitement, MVHS is but a fraction of its surrounding world.

Already an experienced traveler, 18 year old Brigitte Maitrejean found life in Mount Vernon, Washington "nice". Brigitte left her home of Annonay, France on August 7, 1972. Her first home in the United States was with a family in Ohio. She later traveled to Detroit and San Francisco before eventually settling with the Charles Payne family.

Not to be outdone by any of her new classmates, Brigitte has taken a full load of courses ranging from philosophy, science fiction, and American Government to art, black literature, and the languages of German and French. Spanish was originally on her agenda, but as it might be expected, she found it "too easy".

Her extra-curricular activities have included being active in French Club, ballet and jazz, babysitting, and drawing. Having wasted no time in securing a name for herself, Brigitte has been able to bring her talents to a surface in her employment at Skagit Crafts in the Mount Vernon Mall where she sketches portraits in charcoal.

Despite the fact that she speaks excellent English, Brigitte has often had difficulty in interpreting American slang. With a delightful accent and a sometimes "very French" outlook, she has enjoyed talking about her life in southern France. She plans to return to her family, which includes her parents, sister, and brother in July or August

# Informality Fascinates Argentine Girl

For her first experience in traveling, 15 year old Myriam Arcerito chose a big trip. During her stay in the state of Washington, she has been living with Doctor and Mrs. G. H. Hoffman and family, in addition to being a guest of the Mount Vernon Rotary Club.

Having a limited vocabulary (hi and o.k.) when she arrived, Myriam was often homesick for her parents, brother, and grandmother in San Juan, Argentina. Things soon got better as she understood more English and discovered numerous Mount Vernon students who speak Spanish fluently. According to Myriam's "exchange sister", Cindy Hoffman, she came to be a remarkably fast learner as the months progressed.

Myriam has taken a regular Sophomore schedule including Spanish, ceramics, P.E., English, and chorus, where she accompanied on the piano.

Hailing from Kingston, Jamaica, Karen McLaughlin's first impression of Mount Vernon was that it was "terribly cold." She described her school in Jamaica as being like a small United Nations, with opportunities for friendship with people from all over the world.

Junior Joni Wollan and her Senior brother Tom returned to MVHS for the final semester of the 1973 school year after a year in Sydney, Australia. Both seemed to have found life in the "land down under" good, as they came back blonder than ever with enviable tans.

With an invisible aging process enveloping him, every action and word is dating each individual. To laugh at the ways of our grandparents is to be looked upon in the same light fifty years in the future. We represent an era of our own. MVHS is a conglomeration of people and things — of midi coats and letter jackets, fast cars and parties, assemblies and sports, jeans and sunflower seeds

It is not what it was a half a century ago. It is not meant to be. For the time is now . . .

#### Excerpt from "Poem of 1923"

Each year with its many changes  
Has a memory dear to all,  
Of the joys and pleasures of school days,  
In the four sweet years we recall.

# FACULTY

# William E. Gurney Directs School Policy

It is almost impossible to think of Mount Vernon High School without also thinking of its principal, William E. Gurney. Throughout his 30 years of service, 22 as high school principal, Mr. Gurney has maintained the school's high academic standards and with his continued interest, friendly outlook, and understanding of student life, has almost become part of the institution.

Assisting Mr. Gurney were vice-principals, Dave DuVall and Hal Ellis. Mr. DuVall also acted as Athletic Director, while Mr. Ellis worked with student problems.

Also with students were counselors Mrs. Frances Leander, Mrs. Alma Murray, and Mr. Merle Suelzle. This year Social Studies teacher Mr. Dave Quall also worked in the frequently crowded counseling office.

Firmly settled in his new office at the former Roosevelt school, Mr. Thomas Pollino, Superintendent of Schools, worked as executive and administrator of all Mount Vernon schools with the advice and aid of an elected school board of varied professions. A new addition to the administration was assistant superintendent Mr. Fred G. Guenther. Mr. Guenther, a former superintendent at Coupeville, is primarily concerned with curriculum direction.

# Variety, New Classes Provide Interest

Always necessary to the development of a well-rounded student is the correct usage of English and an awareness of his surrounding world

With the aid of elective classes in the English program, students had the opportunity to use their talents in a variety of ways. Sometimes gruelling grammar exercises, special projects, movies, speakers, and field trips highlighted the year for teachers and students alike. Whether in the flair of creative writing or literary knowledge, to the skills of scene design and radio broadcasting, students selected from a vast area of choice in developing their particular specialty.

Looking from the past and toward the future was the Social Studies department. The offering of Philosophy for the first year, to the established Fenton program; the addition of new teachers and the absence of others were fitting examples of history in the making and the ever-changing course of events in Mount Vernon High School

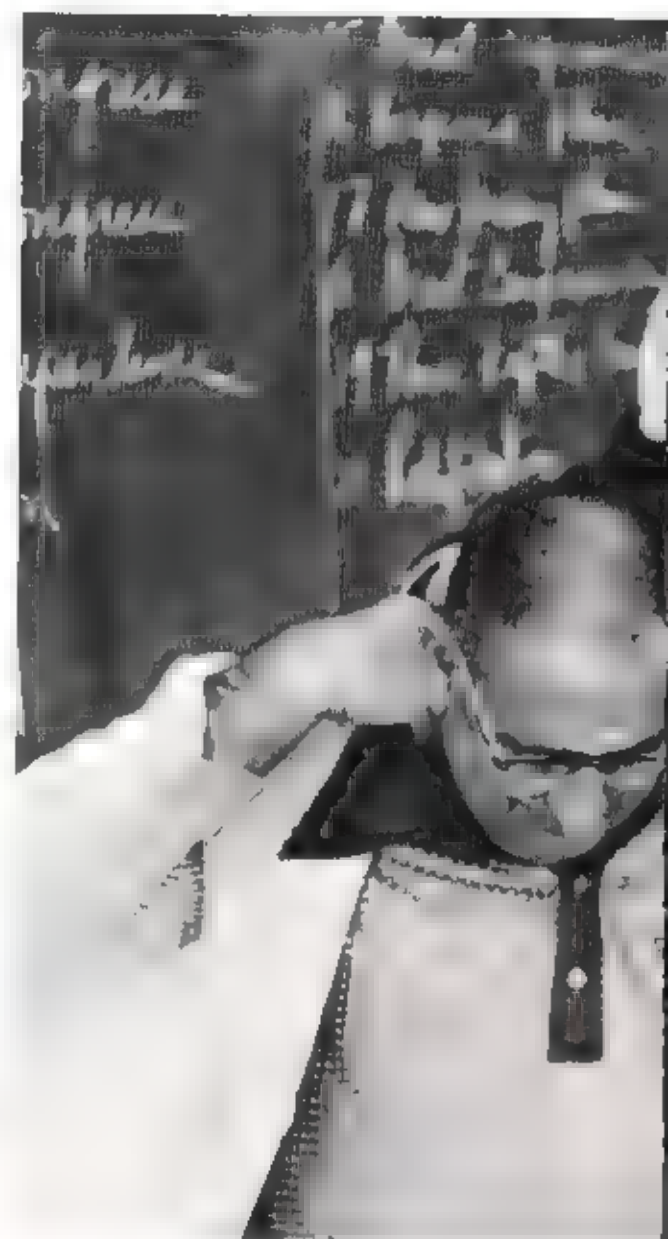

French pastries, beer steins and dancing senoritas could be some of the many thoughts that pop into mind at the mention of France, Germany, or Spain. Closer to the home front were our foreign language classes, which attempted to capture the spirit of the customs, speech and people in these distant countries.

## Analytical Minds, Strong Bodies Aim

Charles Hoaglund-Industrial Arts

Richard Blonden-Industrial Arts

Bruce Parker-Industrial Arts

Chuck Noyes-Industrial Arts

The development of analytical minds and athletic bodies was undertaken by our Mathematics, Science, and Physical Education programs. The establishment of elective classes in the limitless areas of scientific study brought about a renewed interest in its experiences. Puzzling questions stimulated experiments and the cultivation of new knowledge.

Some deep thinking was also represented in the pursuing challenges of Mathematics. Although the frustrations in solving many problems were ever-present, the satisfaction in their comprehension must surely have been rewarding.

Through vigorous exercise and exertion, students attended to their physical needs under the direction of the Physical Education instructors. The labor of athletics, whether in swimming, running, or gymnastics, was shown in the efforts to mold students into healthy individuals.

The Environmental Center served as a study/resource center for ecological studies during students' unscheduled time. Mechanical and manual skills were the object of attention for the Industrial Arts department, who also made their contribution to the exploitation of abilities and knowledge.

## Creativity, Practicality Part of MVHS

While some classes this year prepared students for higher education academically, others dwelt on the practical aspects of daily life.

Business courses concentrated on technical skills and some on-the-job training at higher levels for the development of sharp minds and efficiency.

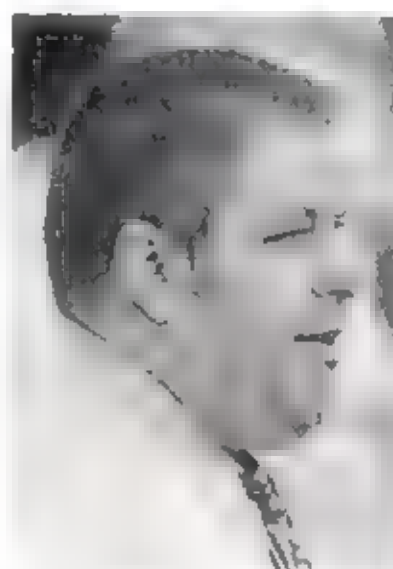

Music classes, on the other hand, brought sensitivity and a creative beauty to the student. Enrollment in music classes has shown a sharp increase in the past few years, with more emphasis being placed on contemporary songs.

Mount Vernon High School is fortunate to have very complete and up-to-date library facilities, including ample reference material to provide the student with all he needs and much more. The library served as a study hall where the more serious minded person could be assured complete quiet for deep concentration.

Agriculture has proven to be a popular class in this farming community. Classes dealt in traditional as well as modern farming methods.

Boys' and Girls' Home Economics have also remained popular classes, with a wide range of activities from turkey feasts to the study of family life in today's society.

Utilizing basic skills and work experience training, the Pre-vocational program prepared pupils for the long range demands of an adult world and job after graduation.

Administration secretaries Mercedine Bagley, Olive Page, Leah Nichols, Elin Anderson and Myrtle Elde keep things in order for the Mount Vernon district.

## Behind the Scenes Crew is Vital Cog

Working behind any organization is its most important asset, the crew who keeps it from sinking. Mount Vernon High School is privileged to have secretaries who combine both efficiency and understanding on the job. Mrs. Delores Gudbranson and Mrs. Barbara Horen can always be found in the main office, along with everyone's guardian angel, Mrs. Ruth Holmes. Across the hall Mrs. Dorothy Hagman keeps the counseling office in shape. The administration office is run by Mercedine Bagley, Olive Page, Leah Nichols, Elin Anderson, and Myrtle Elde.

Mrs. Grace Cunningham has the hectic job of manning the Athletic Department where her many duties range from assigning lockers to the entire student body to keeping watch over food for shadows. Also found in the Athletic office is Mrs. Phyllis Pearson, school nurse to all the students in the district. With all this, Mrs. Pearson still finds time to encourage interested students toward a nursing career in advising the local chapter of F.N.A.

In the cafeteria Mr. Jack Jordan supervises cafeteria and maintenance while cooks Mrs. Nona Miller and Mrs. Betty Nelson are probably the two most popular people on campus from 11:15 to 12:40.

Mr. Dennis Dobson heads all activity at the bus barn. This job not only includes transporting students to and from school each day, but organizing busses for field trips and club activities. His drivers, though of all types and ages, are all responsible and infinitely patient with the sometimes overambitious students.

## AMERICAN YEARBOOK COMPANY

Milt Bean  
Representative

First of all, this book would not be here if it weren't for six very special people — our parents. Thank you Mom and Dad. We're sorry for all missed meals, household labour shortages, and the times we took off with the car; but most of all for the "all night stand."

Special thanks goes to photographer, Bruce Eastman, who put Skagina first. (Sorry, Mr. Evans!) Also to ever-suffering Staci Swedeen, Mike Woodmansee, and Kevin Clark for putting up with our whims.

For your flashing pen, sports-minded brain and "cow" imitations, we hail you, Mike Holmstrom. Now, about that boat ride you promised us ...?

Thanks to our walking jokebooks, Colleen Hulbert and Linda Patterson, for all the times you let us steal Bruce, give you a camera, and send you on your merry way. (By the way, we need 10 pages of ads for our supplement!)

To Laurie Schopf, our precious senior editor, thank you for making our days that much brighter and for relieving us of some of the most tedious jobs.

Thanks to Ruthie Holmes for your keys and encouragement; teachers for your never-ending understanding (or misunderstandings) concerning deadlines and that notorious Skagina staff.

Our sincere gratitude goes to Mr. Oliver Noce, Mrs. Lester Robinson, Mr. Glenn Dixon, Mr. Walter Jackson, The LaConner Historical Museum, and the Skagit Valley Herald for their help in locating pictures, old and new.

We owe our beautiful cover sketch to Mr. Gordon Fisher. Thank you for your time and talent.

To Milt Bean, our yearbook representative, and Mike Sullivan, American Yearbook photographer, thank you most humbly from three highly disorganized, but reforming editors.

Thanks Charlie, Mark, and Rob for bothering to stop by with yourself and your food on deadline nights, unlike some fellow classmen, who just honked. To all our friends, we apologize for our nasty "Keep out, or else!" notes and general grumpiness.

And to Anne Lenning and Diane Prohaska, the two sane people in a mad staff; no words can express the gratitude we feel for your "always being there". Every staff should have the fortune to be so blessed. Good luck!

Most importantly, to Mrs. Chic ... How could you have known just what you were getting into with us? More than a teacher, more than a friend, more than you will ever know — thank you from the bottom of our hearts.

Thanks muchly,  
April, Marilyn, and Mary
